About NOCO Unify

Northern Colorado United for Youth (NOCO Unify, formerly NOCO 20/30) is a 501(c)3 non-profit organization comprised of business leaders between the ages of 20 and 39 that are focused on raising money for charities serving disadvantaged children in Northern Colorado.

Through philanthropy, our organization provides opportunities to young and emerging leaders for personal growth, leadership development, and a sense of community. By engaging young community leaders in philanthropy earlier in life, we aim to enhance the base for this community service throughout the northern Colorado region.

Since our inception in 2007, we have granted over \$5,000,000 for local youth charities.
